

# Professional Development Planning Guide

Professional development is the backbone of strong implementation, and Amplify welcomes the opportunity to partner with you to design a professional development plan that meets your needs. This planning guide will support you in selecting:

- just-right sessions for your teachers and leaders
- appropriate delivery methods and durations

## Supporting success

Professional development will set your teachers and leaders up for success. Our interactive sessions will help you **launch, strengthen, and coach** teachers and leaders to implement the program with ease and provide students with an impactful experience.
